

# Livermore Junior Football League Sponsorship

## Our Philosophy

- To familiarize the players with the fundamentals of football and in so doing to firmly implant the ideals of good sportsmanship, honesty, loyalty, courage, and respect for authority.
- To provide an equal opportunity for all participants to play in a supervised, organized and safety oriented manner without consideration of talent.
- To keep the players free of any adult ambition and personal glory so they may be well adjusted and happier children, able to grow to be good decent adults.
